In 57,382, what is the value of the digit 8? _____

In 67,347, what is the value of the digit 3? _____

In 12,329, what is the value of the digit 9? _____

In 60,353, what is the value of the digit 5? _____

In 40,613, what is the value of the digit 4? _____

In 15,038, what is the value of the digit 5? _____

In 64,807, what is the value of the digit 4? _____

In 40,930, what is the value of the digit 4? _____

In 72,160, what is the value of the digit 1? _____

In 24,068, what is the value of the digit 4? _____

In 39,475, what is the value of the digit 9? _____

In 27,601, what is the value of the digit 2? _____

In 21,856, what is the value of the digit 5? _____

In 49,392, what is the value of the digit 4? _____

In 17,548, what is the value of the digit 4? _____

In 24,867, what is the value of the digit 2? _____

In 35,504, what is the value of the digit 3? _____

In 70,635, what is the value of the digit 3? _____

In 28,913, what is the value of the digit 2? _____

In 72,408, what is the value of the digit 2? _____

In 30,082, what is the value of the digit 2? _____

In 81,741, what is the value of the digit 7? _____

In 78,096, what is the value of the digit 6? _____

In 15,482, what is the value of the digit 1? _____

In 18,532, what is the value of the digit 8? _____

In 32,194, what is the value of the digit 4? _____

In 95,500, what is the value of the digit 9? _____

In 35,899, what is the value of the digit 5? _____
